BREAKS UP A COLD

Also Ends All Misery from
 the Grippe in Just a
 Few Hours.

There is not one grain of quinine
 in Pape's Cold Compound, which, when
 taken every two hours, until three
 consecutive doses are taken, will surely
 end the grippe and break up the most
 severe cold, either in the head,
 chest, back, stomach or limbs.

It promptly relieves the most mis-
 erable neuralgia, pains, headache, dull-
 ness, head and nose stuffed up, fever-
 ishness, sneezing, sore throat, running
 of the nose, catarrhal affections, sore-
 ness, stiffness and rheumatic twinges.

Pape's Cold Compound is the re-
 sult of three years' research at a cost
 of more than fifty thousand dollars,
 and contains no quinine, which we
 have conclusively demonstrated is not
 effective in the treatment of colds or
 grippe.

Take this harmless Compound as
 directed, with the knowledge that
 there is no other medicine made any-
 where else in the world which will
 cure your cold or end Grippe misery
 as promptly and without any other as-
 sistance, or bad after-effects as a 25
 cent package of Pape's Cold Com-
 pound, which any druggist in the
 world can supply.

THROW AWAY

YOUR CRUTCHES

IF YOU SUFFER FROM RHEUMA-
 TISM DON'T CARRY WOOD, BUT
 TAKE MARTIN'S RHEUMATIC
 AND BLOOD ELIXIR.

Edward Sams, a well known car-
 penter, who resides on Lubbeck Road,
 Parkersburg, W. Va., writes as fol-
 lows:

T. J. Martin,
 Dear Sir:—I was afflicted with
 rheumatism for four years, and at the
 time I began taking Martin's
 Rheumatic and Blood Elixir, was
 entirely down and had been for
 some time. I could move around
 a little with two crutches, but af-
 ter taking your medicine for six
 days I laid my crutches aside and
 began to improve. I can now say
 that I am completely cured, as it
 has been three years since I have
 had an ache or pain.

Rheumatism is a blood disorder; its
 peculiar field is the points and fibrous
 tissue surrounding them. It is neces-
 sary only to try Martin's Rheumatic
 and Blood Elixir to have convincing
 evidence of its superiority, and to
 recognize its value as a medicine. It
 fully bears out every claim made of
 it. For sale by all druggists at \$1.00
 per bottle.

SNOW IS HEAVY AT TERRA ALTA

And in the Mountains It is
 Drifted Fifteen Feet
 High.

At Terra Alta, Preston county,
 there are now twenty-seven inches
 of snow on the level. This indicates
 that there are drifts at many places
 to a height of ten to fifteen feet.
 When this condition exists at Terra
 Alta it applies to a large section of
 mountain country traversed by the
 Baltimore and Ohio railroad as well,
 and to all that part of Preston county
 not a part of Cheat valley, and to
 the adjoining county of Garrett,
 over in Maryland.

The depth of snow at Terra Alta
 as noted above, however, does not
 apply to winter generally in that
 section, of late years at all events, as
 the depth of twenty-seven inches is
 seldom attained, this being the first
 instance in some years that the
 snow fall has exceeded eighteen or
 twenty inches, although there are in-
 stances cited by "the oldest resi-
 dents" when the snow fall reached
 as much as thirty-six inches. Up un-
 til a short time ago the mountainous
 sections of Preston and Garrett
 counties were suffering from con-
 siderable of a drouth, water being so
 scarce that farmers residing in the
 vicinity of Oakland, Md., were com-
 pelled to haul it in barrels from the
 Little Yough river that runs through
 Oakland. A snow fall of twenty-
 seven inches, however, with the
 usual thaw that follows, will soon,
 if it has not already, correct that
 condition.

A snow fall of the depth that now
 prevails in parts of Preston county
 causes all kinds of trouble on rail-
 roads, blockades the county roads
 and depresses business generally.
 Trains have frequently been aban-
 doned across the Alleghenies from
 Cumberland to Grafton, and very of-
 ten run from five to ten hours late.
 Those conditions are from year to
 year coped with in a more scientific
 manner, however, and now, when a
 big snow fall comes, the steam snow
 shovels get busy on the railroads
 and hundreds of men turn out on the
 county roads, and traffic is much
 quicker in resumption.

At a meeting of the Marcato Club

 preme Ruler of the universe in His

 parable.

 untiring efforts the club has greatly
 prospered.

 our heartfelt sympathy to the be-

CENTURY MARK

Is Passed by a Resident of
 Doddridge Before Death
 Takes Her.

Mrs. Nancy (Swisher) Harris, the
 oldest person in Doddridge county,
 and perhaps in the state, died at the
 home of her son, John Harris, on
 Long Run, in Central district, says
 the West Union Record.

"Granny" Harris, as she has long
 been familiarly known, was born in
 what is now Monongalia county, W.
 Va., May 24, 1808, and would there-
 fore, have been 102 years old the
 24th of next May. Her maiden
 name was Swisher, and she belonged
 to one of the oldest primitive fam-
 ilies of that section.

In 1829 she was married to Asa
 Harris, with whom she lived until
 his death in 1887. In early days
 they removed to this county and set-
 tled on Long Run, near where she
 died. Their home was always open
 to all comers and they were always
 known far and near for their hospi-
 tality. Their family consisted of five
 children, and but two of them are
 now living. They are John and
 Daniel Harris, both of Central dis-
 trict. Besides these she leaves 45
 grand children, a large number of
 great grandchildren and some great
 great grandchildren.

She became a member of the
 Christian church in 1840, and was
 baptized by the Rev. Jacob Yeater,
 a well remembered pioneer minister
 of the church who resided near
 Center Point, but who has long since
 been called to his reward. She re-
 mained a constant and faithful mem-
 ber until her death.

NO SESSION OF COURT.

No arrests were made by the city
 police force yesterday and when
 Mayor Frank R. Moore appeared in
 police court this morning there were
 no cases registered for trial and con-
 sequently no session of court was
 held. Policeman reported everything
 "quiet along the Potomac."

HOLDS COURT.

 ruptcy, is in Fairmont today holding
 court in the bankruptcy case of Ben
 Williams.

STOMACH TROUBLES

Cured by Vinol—Here is Proof:

Seymour, Ind.—"I was troubled
 with a chronic stomach trouble and
 five weeks ago I got so bad I had to
 give up work. I had tried various
 medicines without relief—and was
 finally induced to try Vinol. After
 taking the first bottle I was greatly
 benefited. Am now on the third bot-
 tle and ready to resume work. Am
 rapidly gaining in weight and
 strength." Edw. Nleman. (We guar-
 antee this testimonial to be genuine.)

It is the curative medicinal ele-
 ments of the cod's livers, combined
 with the strengthening properties of
 tonic iron contained in Vinol which
 makes it so successful in restoring
 perfect digestion and at the same time
 it builds up the tired, overworked
 and run-down system.

Try a bottle of Vinol with the un-
 derstanding that your money will be
 returned if it does not help you. Stone

COAL LEASED

At Wilsonburg by Mr. Orr of
 Grafton and Will Op-
 erate It.

The Lynch-Elliott coal at Wilson-
 burg has been leased to James M.
 Orr, of Grafton, and the latter has
 organized a company for the begin-
 ning of immediate operation at the
 mine, which will be worked in con-
 nection with the Buena W. Brown
 lease formerly owned by the Wash-
 ington Fuel Company. This is said
 to be a very valuable tract of coal.
 It is comprised of fifty-five acres and
 is the nine-foot Pittsburgh vein.
 J. M. Orr will be in charge of the
 main offices at Grafton and as he is
 a coal and coke operator of wide ex-
 perience, there is no reason why the
 new company should not meet with
 abundant success.
